

ORGANISATION

Your contribution to your child's organisation is vital.

Take a copy of their timetable and go through it with them like a checklist.

UNIFORM

Our School's Uniform

We appreciate that our students observe the dress code well and wear correct school uniform, taking pride in their personal appearance. The full uniform is to be worn by students on the way to school, between lessons and on the way home.

- V-necked, burgundy sweater with school badge (optional)
- Black trousers or knee length, black school skirt.
- Plain black socks or plain, opaque black tights.
- Black, polishable, traditional school-type shoes with distinguishable heel (not flat shoes).
- Hair styles should not be shaven or extreme and hair colouring should be restricted to one natural colour.
- Jewellery: a wristwatch can be worn; one set of small stud earrings in ear lobes (for safety reasons, no facial or body piercings).
- No false/acrylic nails.
- Plain black jackets not to be worn in school buildings.

UNIFORM

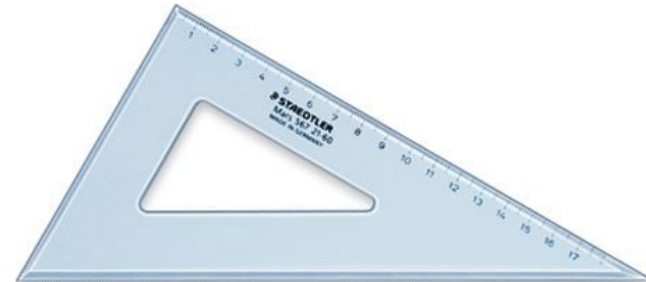

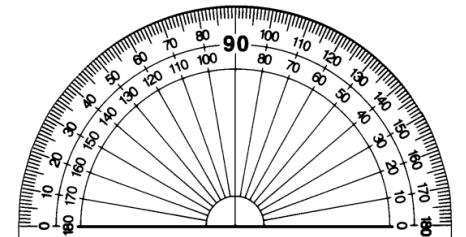

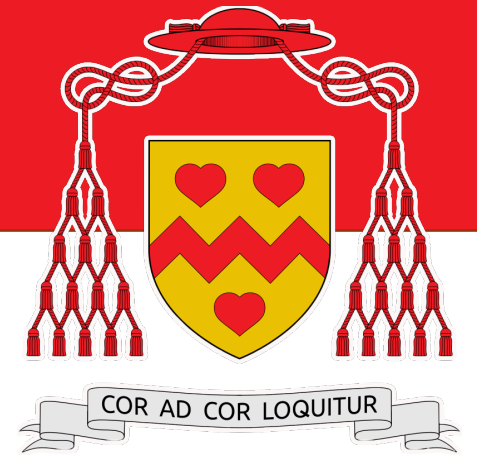

Our School's PE Kit

We expect our students to look their best when competing and participating in everyday PE. Bringing and wearing PE kit is important to show team unity and spirit. Even the few students excused from PE on medical grounds are expected to change into their kit.

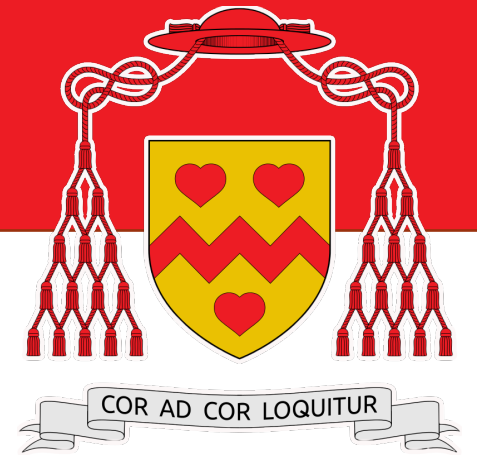

- Red gym t-shirt with Newman logo
- Newman PE hoodie (optional)
- Black shorts (not cycling shorts)
- Red knee-length socks
- Training shoes (with non-marking sole)
- Newman rugby shirt (optional)

BEHAVIOUR FOR LEARNING

To ensure the classroom operates effectively, we use a system that allows for consistency amongst teaching staff. It is hoped that this system delivers a positive message and removes the need for confrontation.

- **Stage 1** – First warning
- **Stage 2** – Second warning
- **Stage 3** – Final warning; moved seats; behaviour log.
- **Stage 4** – Referral; Moved to another room; One Hour ASD; Parents informed.

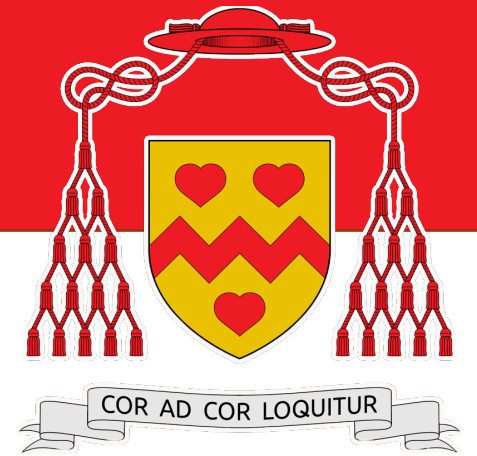

CONDUCT LEVELS

For more serious incidents and repeat referrals, Heads of Year are quick to arrange for Conduct Level meetings.

At each conduct level, we offer different levels of intervention and assistance to support our pupils with their behaviour and ensuring they can settle and get on with learning in the classroom.

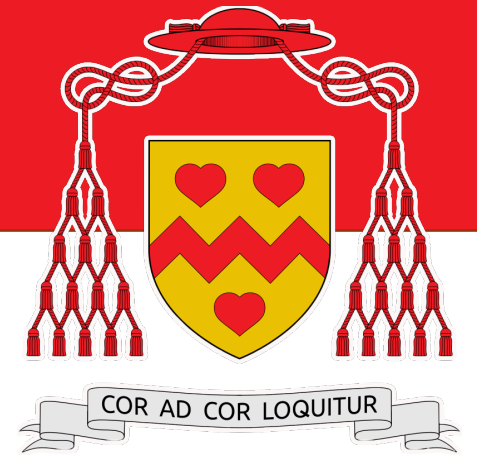

SCHOOL LUNCHES

Students can bring a packed lunch, or purchase food from the restaurant where they can choose from a range of hot meals.

We encourage students to be responsible with their money and food choices. The best value meal option for all pupils (including those on free school meals) is still the meal deal consisting of a main dish, a dessert and a drink.
